WCSOA banquet

Membership meeting

The WCSOA held its annual banquet at the Aria in Prospect in what was a nice evening affair.

As usual we awarded the Paul Bourdeau Award for dedication to soccer; the Referee of the Year; 4 team sportsmanship awards; and service honors to our members.

There was no election as it was the off year.

Also, given that there was no election and no other business to attend to, the “business portion” of the banquet was non-existent.

In all a pleasant night.

For the record here are the awards the WCSOA distributed:
