**September 6, 2016**

To all Officials, Coaches, & Athletic Directors,

As stated in the WWNEPSSA by-laws, the NCAA rules shall be followed for all games, with the following changes:

- Official time is kept on the scoreboard unless agreed upon by coaches and referees prior to the game.
- Substitutions for the attacking team on a corner kick if the player is already at the table; the defending team may match the substitution if the player is at the table in advance of the play that caused the corner kick.
- Substitutions available for both teams on goal kicks.
- Opposition may substitute on your throw in only if you are making a substitution.
- Any throw in that does not enter the field of play is awarded to the other team.
- Matching numbers of substitutions on an injury
- On an injury, both the trainer and coach may attend to the injured player
- An unlimited number of substitutions will be allowed
- Matches will be played in two forty minute halves
- There will be no overtimes
- The visiting team will wear white uniforms and the home contrasting, unless otherwise prearranged.
- Player Cautions
  - **One Red Card** (or two yellow cards) shown during a game will result in that player leaving the game and not being able to return. In addition, that player will not be allowed to play in the next scheduled game.
  - **Three Yellow Cards** shown during the course of a season will result in that player not being allowed to play in the next scheduled game.
  - **Five Yellow Cards** shown during the course of a season will result in that player not being allowed to play in the post-season games.
  - **A player that receives one yellow card** during a game does not have to leave the field of play. It is up to the head coaches' discretion whether or not the player leaves the field. If the player leaves the field, a substitution for that player is allowed.
  - **Reporting** – Any yellow or red cards shown during a game must be reported to the WWNEPSSA League directors (President & Vice President) as listed above.
- Coach Cautions
  - Coaches cautioned with a yellow card may remain at the competition site.
  - Coaches cautioned with two yellow cards or one red card must leave the competition site and will serve a one game suspension.
